EDITORS' FOREWORD

This is the 36th edition of annuals put out by the Senior classes of the Maroa High School. It is a record book so that we may recall our days in high school with our friends and teachers.

In THE ROUNDUP, it contains numerous pictures of the classes, organizations and different activities. The main group, of course, is the Senior Class with their pictures, history, will, and many other interesting features.

This is the first time there has been a picture inside the front cover, and we are quite proud of it. Also, we are trying to give you bigger pictures in this edition.

Twenty years ago in March, 1931, classes began in the present school building with "Red" here as janitor. We would like to give our acknowledgement to the "Class of '31" and "Red".

During the fall of '50 the staff for THE ROUNDUP was chosen. As editors, it was our task to get the job finished. Miss Richner was our advisor and Jane Doak and David Foulke our assistants.

One main job was to get advertisements to sponsor the annual, but with the aid of Juanita Ridgeway and her helpers, we got the job finished. Then we had to get enough subscriptions, but Peggy Luckenbill and Betty Weikle acquired them. There was a lot of hard work in the background done by other members of the Senior Class, and it was just as important as the rest.

Now we hope you will enjoy each phase of THE ROUNDUP as you look through these pages.

Vic Walters, Joe Harmon, Ryburn Sprague, David Pope, Robert Bolen, William McGuire, President Ambrose Hill.

This is the unit school board elected by the people to be the head governing body of the Circle '51. We believe that they have tackled those various problems in the fairest manner possible after discussing both the pro and con sides of each decision. We realize many problems still confront these men, but we do know, and feel, that they always will try to work for the best interests and needs of the youth, and for the benefit of the community unit district as a whole. We thank them for all they have done for us. To them we look for the future progress in our school.

Mr. Keyes, our principal, and Mr. Boyd, our assistant principal and Coach, were the capable leaders of the Circle '51. We went to them for advice, they answered questions, tried to help us with our problems and directed the school activities. We appreciate their co-operation and are sure that they fulfilled their job very well.

We were fortunate to have had a capable leader as Mr. W. D. Keyes, Jr. for the Circle '51. He was an outstanding man to have had as our leader. His intelligence and training, foresightedness, and his wonderful personality made him a great leader. He had a big job as superintendent of the community school unit, and he handled it very well. He has done many things to help the Seniors through their four years of school, so we wish to thank him for his help and guidance.

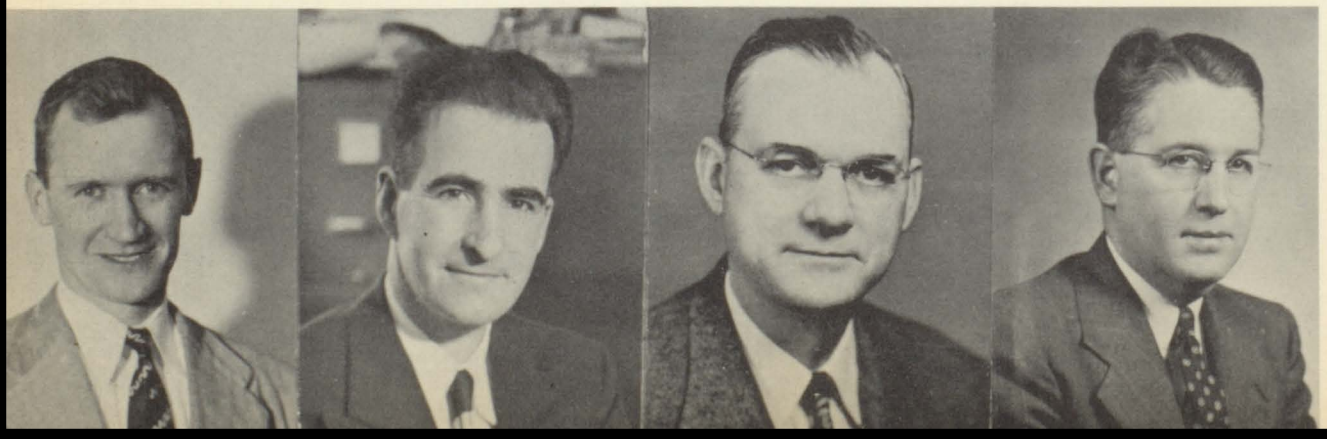
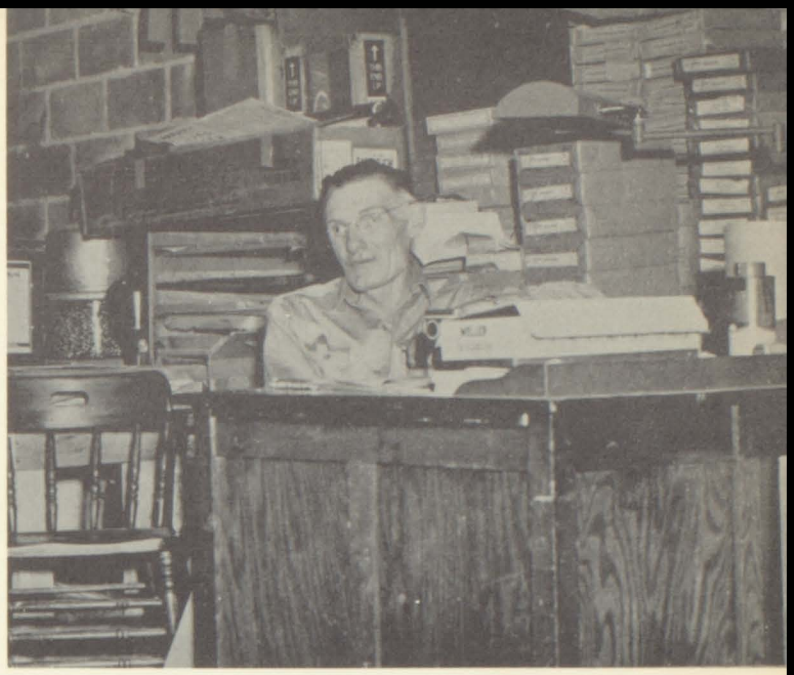
Vocational training was started this year with Mr. Kitowski, Mr. Keyes, Mr. Nicol, and Mr. Boyd as the instructors. The subject was a combination of classroom learning and shop experience.

These were the teachers of Vocational Training class. This class was taught during sixth hour of the first semester, and during zero and sixth hour of the second semester. The purpose of the class, was to give practical knowledge to the boys about radio, electricity, metal work, and woodworking. Mr. Boyd taught woodworking, Mr. Keyes radio, Mr. Kitowski electricity, and Mr. Nicol welding and metal work.

Mr. Boyd, Mr. Keyes, Mr. Kitowski, Mr. Nicol.



OUR CUSTODIAN



An important job was the care of the Circle '51 which Mr. Nelson (Red) Smith did a very fine job. The good condition of our school attributes to the hard work that "Red" has done for many years. We appreciate the things he has done for us during the four years of our high school life.

On October second, 1950, a man from Java came to school and presented an exhibition of things from Java, along with an explanatory talk. The Javanese spoke of the customs and dress in Java. While explaining the dress of the Javanese, he asked two boys and two girls to come up to the stage. He dressed Juanita Ridgeway in a rich family's wedding dress. Phyllis McCay became a shopper in a Java store. From a seemingly large piece of stripped cloth, and a short, long sleeved jacket, the man transformed Roy Caldwell into a common man, from Java. Dean Seely wore a long, blue garment and his dress was typical of a higher class man from Java. The scene was now complete, and with the youths dressed in Javanese clothing, the Javanese concluded his very interesting assembly.

ASSEMBLY

Mrs. C. Long, Mrs. N. Braden, Miss V. Hughes, Mrs. F. Coen, Mrs. G. Stormer, Mrs. E. Gardner, Mrs. H. Morgan.

In 1950-1951 we had an active P.T.A. organization. They promoted good feeling between teachers and parents while giving them a chance to discuss problems about youth.

The P.T.A. sponsored a trip for the class that got the most parents to attend the meetings. The Sophomores were ahead by the February meeting. At some P.T.A. meetings the students presented programs which included tumbling, tap dancing, solos, and the annual P.T.A. speech contest.

P.T.A.

We think the P.T.A. did a good deal of fine work. The officers were:

President.....Mrs. Harry Morgan
Vice-President.....Mrs. Noel Braden
Secretary.....Mrs. Earl Gardner
Treasurer.....Mrs. Clifford Long
Historian.....Mrs. Ben Caplinger, Jr.

Class History

We started out as "Green Freshies" of Circle '51 in the fall of 1947, with 34 dudes, and Miss Kay Mallers as our foreman. Her assistants were: William Bailey, President; Melbourne Lazell, Vice-President; Gary Hughes, Secretary; Nancy Bliss, Treasurer; Norma Jean Stormer and Phyllis Riley, Pep Committee representatives; Dorwin Sullivan and Reva Bristow as student council representatives. The homecoming queen candidates were Reva Bristow and Marilyn Greene.

Just like any other dudes we thought our locker combinations had been switched and our rooms changed. We will never forget initiation with our green caps, lipstick, and our clothes on backwards. During the year we lost Donald Finch, Dale Kramer, but we gained Bill Sinkosky.

The second year our officers were: President, Mary Jay; Vice-President, Dorwin Sullivan; Secretary, Reva Bristow; Treasurer, Juanita Ridgeway with Mr. Dale Shull taking over as our foreman. Student Council members were Marilyn Greene and Melbourne Lazell. Pep Committee members were Jane Doak and Bill Sinkosky. The Circle '51 lost Phil Arnold, Lloyd Creekmur, Marilyn Greene, Barbara Sullivan, Charlotte Williams, and Patty Snyder while we gained Leon Fornwalt, Mary Fredricks, and Peggy Luckenbill. We were well represented in sports throughout the year and proud to have the cheerleaders, Jane Doak, Mary Jay, and Betty Weikle from our class.

We all made it to our Junior year except Richard Reed and Mary Helen Fredricks, We were busy with the magazine campaign, ordering class rings, the class play, and the Junior-Senior Banquet with Coach Boyd and Mrs. Coen as foreman. The officers were: President, Jerry Pennypacker; Vice-President, Jack Walters; Secretary, Mary Jay; Treasurer, Betty Weikle; Student Council members, Peggy Luckenbill and David Foulke, Pep Committee members, Jane Doak and Melbourne Lazell. Mary Lou Dunham and Nancy Bliss were two of our cheerleaders.

Now we are completing the "ROUND UP" with Melbourne Lazell as President; David Foulke as Vice-President; Peggy Luckenbill as Secretary; Betty Weikle as Treasurer and Kathryn Richner as our foreman.

We returned to "THE ROUND UP" without Barbara Bliss, Mary Jay, and Jack Walters.

The 51'ers were proud of our play "We Shook The Family Tree", Reva Bristow as Homecoming Queen, Marian Vaughan as Xmas Capers Queen, all the boys on the basketball and football teams, with Jane Doak and Betty Weikle as our cheerleaders.

At Homecoming our float won us a blue ribbon.

Now with twenty-eight of us coming in the "ROUND UP" we have completed our journey across the hills and valleys of high school life.

Class Poem

'Twas the year of forty-seven
We came to Maroa High
Just a green bunch of Freshmen,
We were bound to do or die.

We met new friends and teachers, too
Our aim was have our fun
But sometimes things got pretty tough
The Motto, "all for one".

Our Sophomore year was different
Hard work to gain success
But through this year we swiftly flew
More quickly than we guessed.

We started on as Juniors
Each day learned something new
We saw the goal ahead of us
And knew our days were few.

Now many years have brought it near,
By wishing days will pass
For now the time is almost up
We're in our Senior Class.

As high school days are over
We bade you fond farewell
To school days and the teachers
In our memories, classmates dwell.

CLASS MOTTO -- "All For One, And
One For All."

CLASS COLORS -- Rust and Gold

CLASS FLOWERS -- Talisman Roses

Every year the good citizenship award is given to a Senior girl. Several girls were chosen by the class, then the faculty voted for one girl by secret ballot. It was won this year by Betty June Lanter.

The qualities on which the winner was picked were: dependability, co-operation, service, and patriotism.

Miss Lanter was active in the school band, member of the Blue and Gold Staff, on the Pep Committee, co-editor of THE ROUNDUP, and many other organizations.

Prophecy

It is now the year of 1961, and as we look around we see some of the members have left the Circle '51.

Dave Foulke is now a cab driver, he gained his experience by taking girls for a "spin" at old M. C. H. S.

COACH BOYD

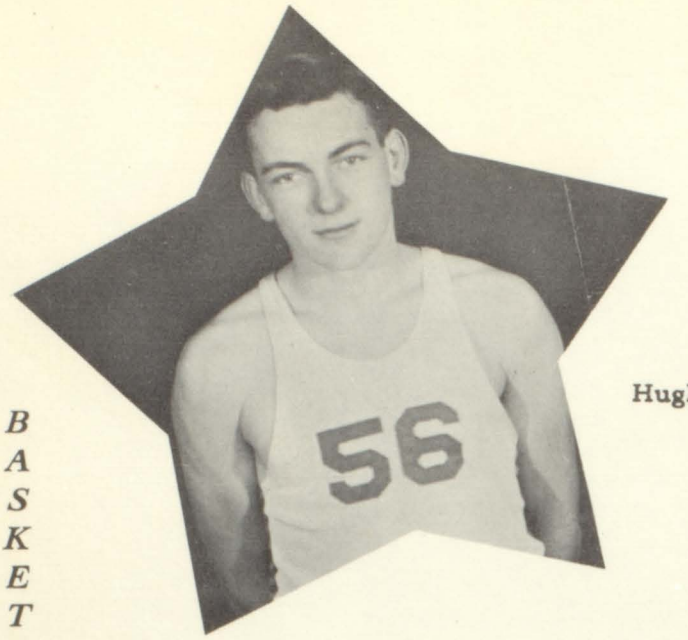
Our coach, Mr. Walter Boyd, a graduate of Millikin University, has worked hard this year to instruct the boys in bringing about a third place in the Soya Football Conference, as well as to teach the boys to play very good basketball.

CHEERLEADERS

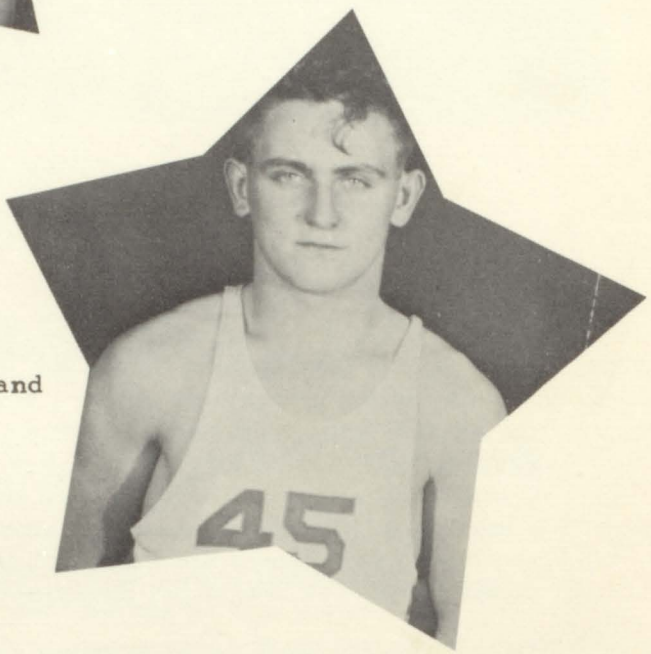
Each fall after the opening of school, three cheerleaders are chosen by the student body to lead cheers during the football and basketball seasons at the Circle '51. Anyone in school may try out at a designated time. After all tryouts are completed, the student body then votes for three favorites. These cheerleaders not only have the responsibility of leading cheers, but they also lead all pep sessions, help on the Pep Committee, and take charge of pep squad meetings, as well as showing and creating a feeling of good sportsmanship among the students.

The cheerleaders did a fine job this year. Sue Sullivan helped them out as a substitute whenever one of the cheerleaders was unable to attend a game.

BASKETBALL

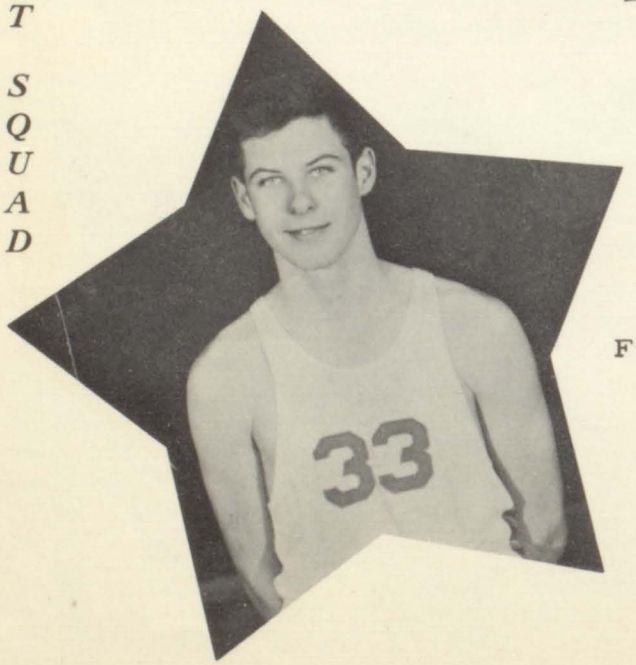


Hughes - a capable rebounder and a jump shot artist.

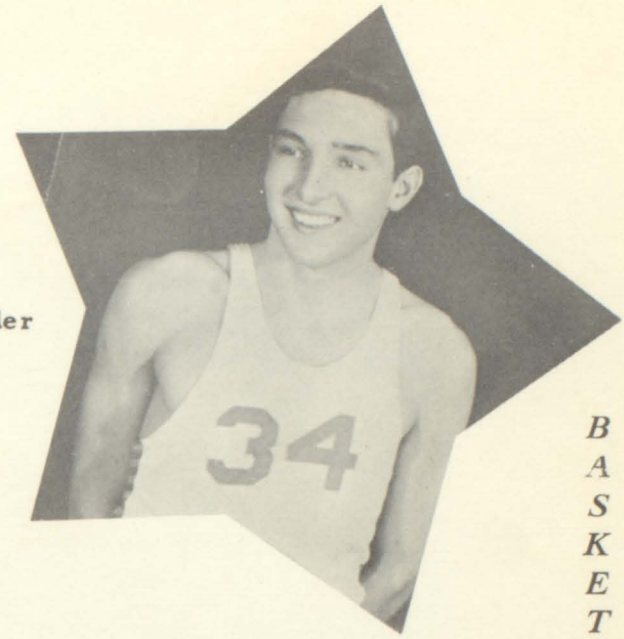


Sinkosky - a hard driving guard and a capable scorer.

FIRST SQUAD

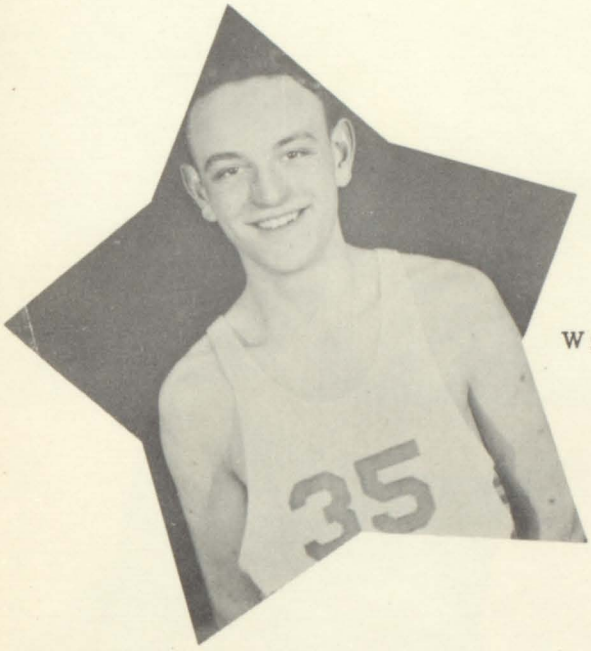


Fornwalt - a good defensive player and has a good eye for the basket on offense.



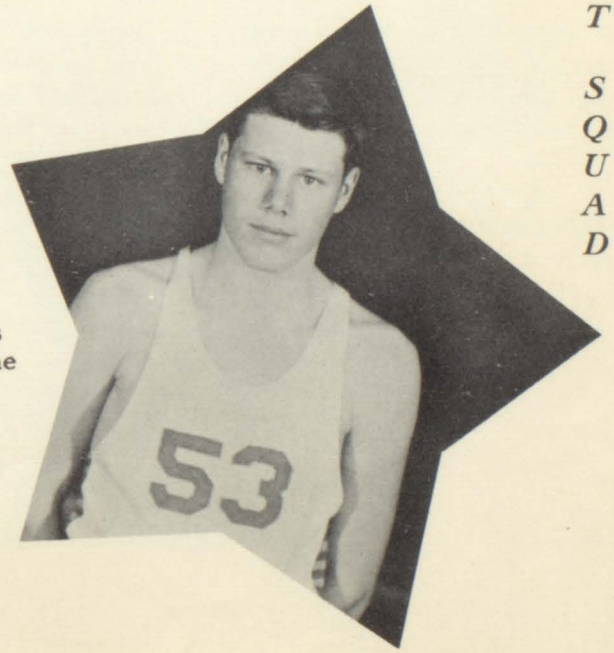
Polette - a big, rugged rebounder

BASKETBALL



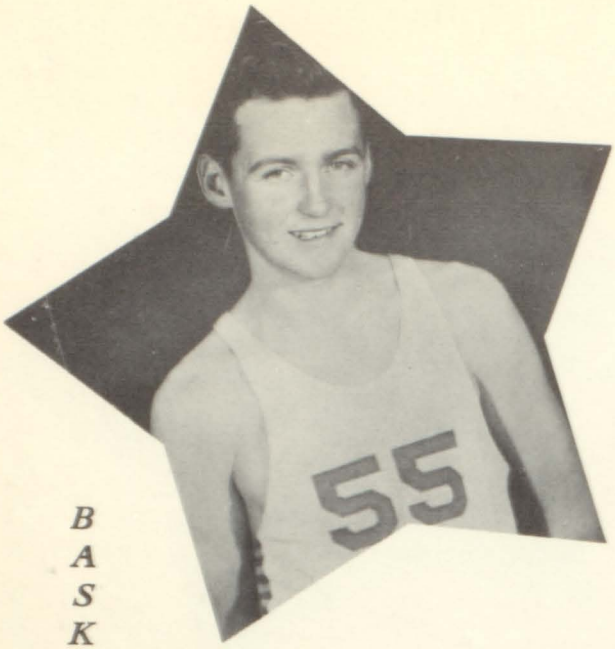
Wilson - a promising player for next year with a good eye for the basket.

FIRST SQUAD



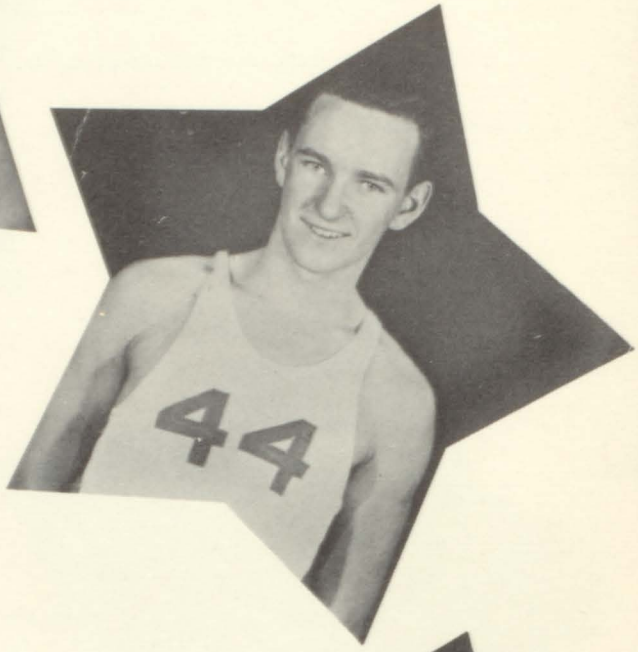
Luallen - a Sophomore who shows plenty of promise for the future.

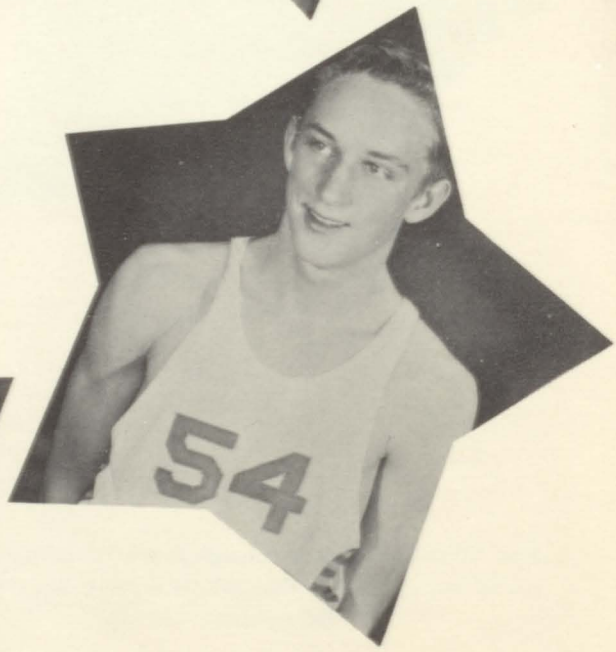
BASKETBALL FIRST SQUAD

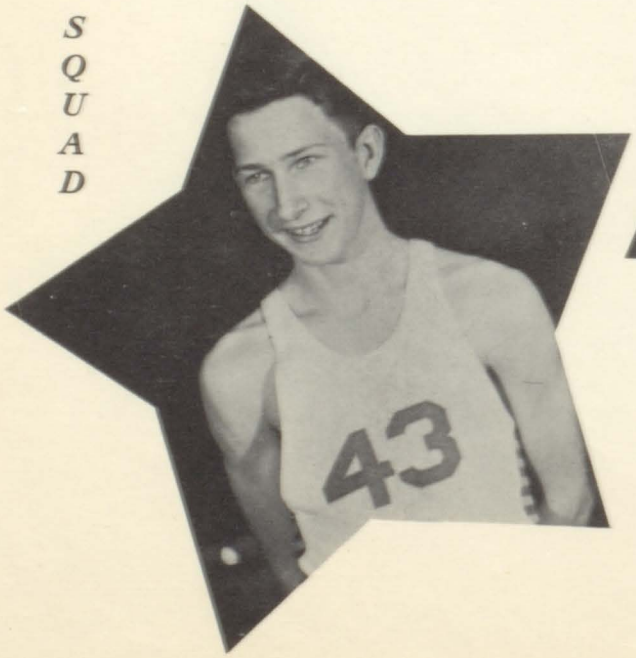


Sullivan - another Senior and a good ball player.

Mashburn - a Senior who has improved greatly from the past.







Smith - a Junior and a good rebounder.

Weikle - a very promising Freshman.

1ST ROW: D. Smith, R. Caldwell, F. Weikle, R. Hughes, R. Hockaday.
2ND ROW: D. Braden Mgr., D. Rose, D. Miller, W. Scott, B. Dash, R. Morgan, Coach Boyd.

BASKETBALL SECOND TEAM

The Trojans didn't do so well this year, as expected, but we had some very exciting and close games. The Trojans will lose Bill Sinkosky, Gary Hughes, Leon Fornwalt, Jr. Mashburn, and Dorwin Sullivan from the first squad due to their graduation in May. Next year there will be five back from the first squad, and some from the second squad will advance.

The second team broke even this year and should have a fine squad during '51 and '52. There are three promising Freshmen that will help much in the future.

HOMECOMING COURT

M. C. H. S. Homecoming was sponsored by the Pep committee in connection with the football game with Lovington on Friday night, October 27th. At the traditional bonfire and snake dance, the crowd saw the burning of the dummy, Neutenemous Yhtopmys Lovington, during the pep session.

The parade began at two o'clock with the band and twirlers leading the parade. First, second, and third prizes were awarded to the Seniors, Juniors, and F. F. A. respectively.

That evening Lovington arrived promptly, and the game progressed well, with Maroa winning.

A Homecoming dance for alumni, students, and guests followed in the gymnasium, with Ralph Allen's orchestra furnishing the music. At 10 P.M. the court entered to the strains of the Maroa Loyalty, followed by the crown bearer, Miss Susie Boyd, six year old daughter of Coach Boyd. Mrs. Jack Hockaday, the former Rebecca Jennings, queen of 1949 Homecoming, presented the crown to Bill Sinkosky, who crowned Reva Bristow as our 1950 Homecoming Queen. The next dance was danced by the queen and her court.

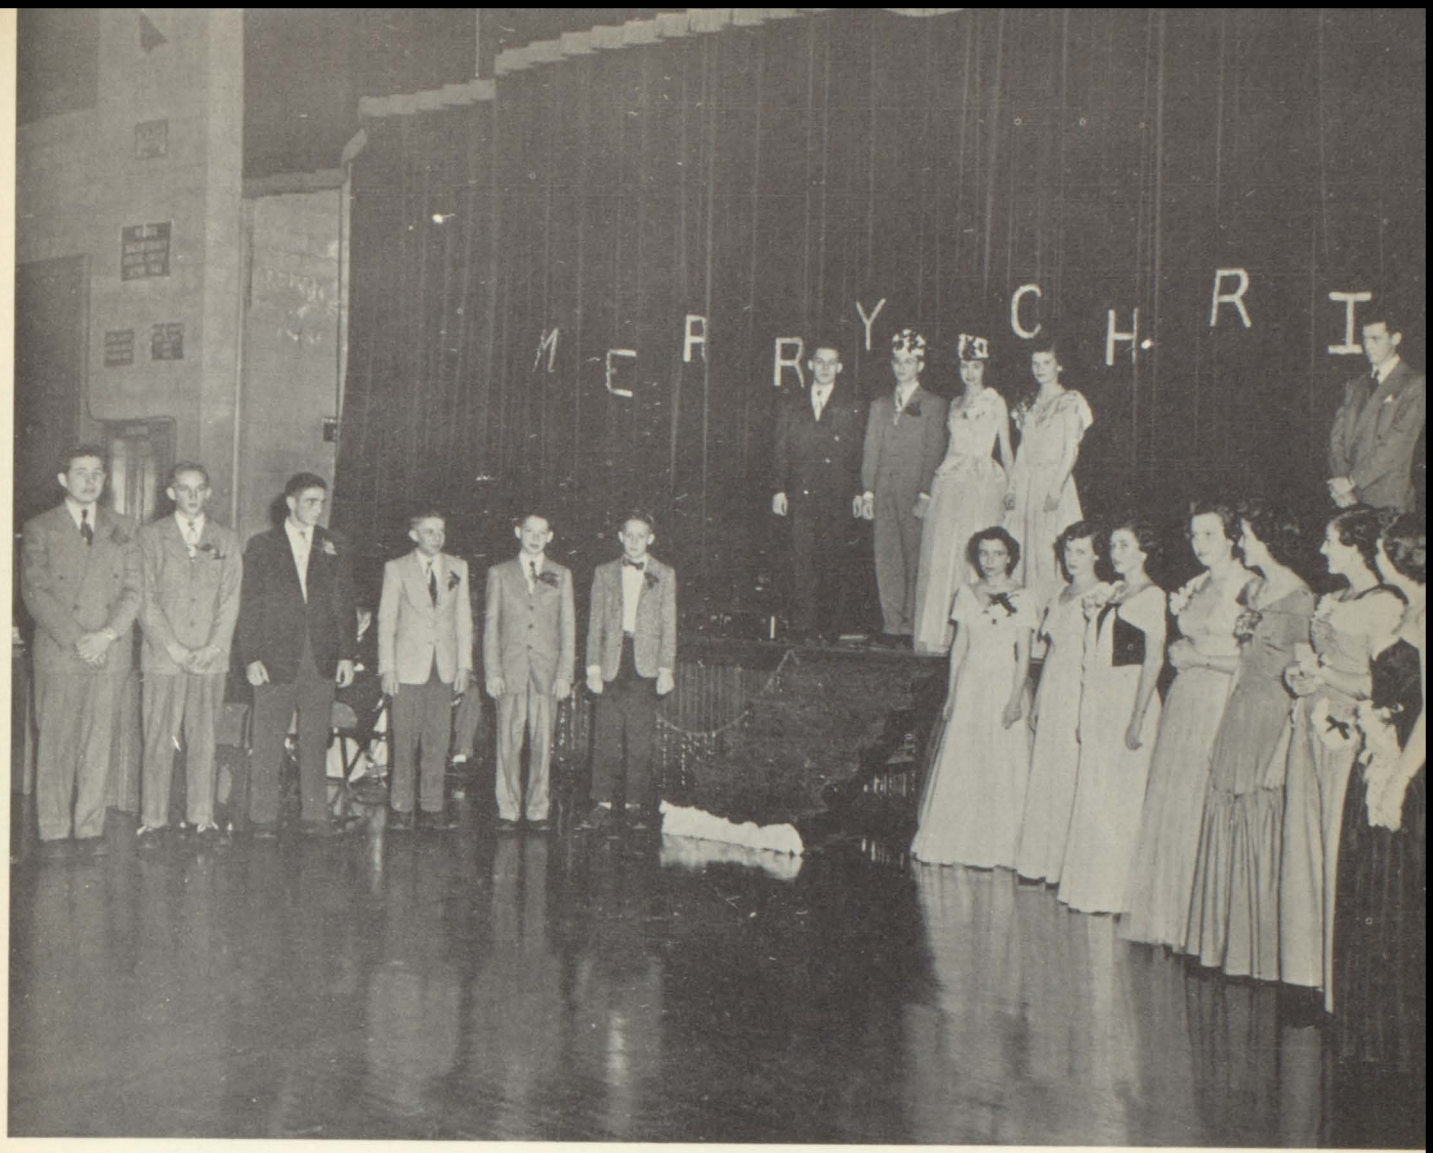
SENIOR PLAY

The Senior play was held in the high school gymnasium Friday, November 10th, at 8:00 P. M. The plot centered around Hildegarde's desire to go to the Prom with Freddie Shermer. But complications set in with Mrs. Shermer still believing Freddie to be a small boy and making him wear knickers! In trying hard to please everyone, Hildegarde had Paige deliver all around the neighborhood Mr. Dolson's love letters which he had written to his beloved wife long years ago. Mr. Shermer got one of these letters and threatened to fire Mr. Dolson. In order to please Mr. Shermer, Mr. Dolson invited the Shermer's to tea. Jimmy and Bob Dolson brought bass to the tea, and along with Hildegarde's beauty mud, the children managed to make the tea a general uproar. But, in the end, Freddie got a pair of long pants, Mr. Dolson kept his job, and Hildegarde got to go to the Prom.

The cast was as follows:

Hildegarde Dolson -- Jane Doak
Freddie Shermer -- Dorwin Sullivan
Mr. Dolson -- Bill Bailey
Mrs. Dolson -- Betty June Lanter
Sally -- Eathel Cox
Jill -- Phyllis Riley
Jimmy Dolson -- Jerry Pennypacker
Bob Dolson -- David Foulke
Mr. Shermer -- 'Mel Lazell
Mrs. Shermer - Juanita Ridgeway
Ellie May - Mary Lou Dunham
Paige -- Nancy Bliss

The play was directed by Miss Richner and assisted by Miss Arnold. The student director was Reva Bristow and the stage managers, Bob Gentle and Jerry Bolen.



J. Coffman, R. Smith, R. Rose, J. Rogers, D. Boyer, W. Scott, G. Oldfield, M. Lazell, M. Vaughan, M. Jarvis, E. Hockaday, J. Widick, C. Braden, M. Long, Bev. Caplinger, D. Sullivan, P. McCay, B. Weikle.

CHRISTMAS CAPERS DANCE

The 1950-51 annual Christmas dance was held in the Circle '51 **gymnasium** December 20th, from 8-11. After much question over the dance, the Pep committee decided to sponsor the Christmas Capers dance. "The Drifters", a dance band from Atlanta, consented to play for us.

Elsie Hockaday, Winfield Scott, Janet Widick, David Boyer, Charlotte Braden, John Rogers, Mary Long, Richard Rose, Beverly Caplinger, Dick Smith, Phyllis McCay, Jack Coffman, Betty Weikle, Jr. Mashburn, Marian Vaughn, and 'Mel Lazell were the candidates nominated by the classes for king and queen.

At 9:30 P. M., the court entered preceded by last year's Queen, Mary Jay Jarvis and King, Gene Oldfield. They crowned Marian Vaughn Christmas Capers Queen and 'Mel Lazell Christmas Capers King.

The next dance for the evening was for Queen Marian, King 'Mel and their court.
